

# MILLER WIRE WORKS, INC.

## Polyurethane Belt Scrapers And Skirtboard

### RETROFIT BLADES

Miller Wire Works, Inc. manufactures belt scraper blades to retrofit various competitors such as Astec, Martin, Arch and ASGCO. As a manufacturer, we can also custom notch the blades to clean the belts more efficiently as needed.

### PRIMARY SCRAPER SYSTEMS

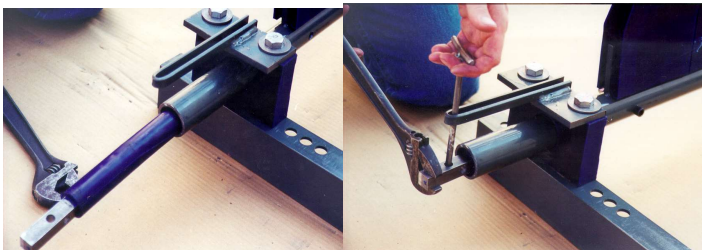

We also manufacture our own mounting systems using either spring tensioners or counterweights.

### SECONDARY SCRAPER SYSTEMS

Our secondary blades and systems insure better overall belt cleaning.

### SPRING TENSIONER SYSTEM

Polyurethane-covered Steel Springs prevent contamination

### COUNTERWEIGHT SYSTEM

Once set no adjusting. Time proven technology.

### Urethane & Rubber Skirting
